PERSONAL TRAINING PROGRAM

If you are at a standstill or not quite sure how to organize a meaningful fitness program, then you may want to consider using a Personal Trainer. A Personal Trainer will help educate you about health, fitness and performance. He/she will work one-on-one with you to build a program that works!

- Register for Personal Training at the Front Desk.
- Once you have registered, the Health & Wellness Director or Personal Trainer will contact you to fully explain the program.
- If you need to cancel a scheduled session with your Personal Trainer, it must be done at least 24 hours in advance. Please contact your Personal Trainer directly, or contact the Health & Wellness Director at (330) 334-9622 or garyl@akronymca.org .
- A "no show" is considered a lost session and will not be rescheduled.
