General Info

CAMP ELEGIBILITY

Children ages 6-17 are eligible for programs at Camp Y-Noah. Campers must be developmentally appropriate to participate in programs at Camp Y-Noah. Staff review all health [Health Form](#) forms to ensure eligibility.

All campers must be able to work in small and large group settings with supervision. Our ratios are as follows. For ages 6-8 1:6 for overnight camp, and 1:8 for day camp; for ages 9-14 1:8 for overnight camp, and 1:10 for day camp; for ages 15-18 1:10 for overnight, and 1:12 for day camp.

CAMP FEES

Camp fees are due 2 weeks before camp. We will do our best to contact you if you are within those 2 weeks to finalize any balance that may still be in effect. However, we cannot reserve space in any program if we do not receive full payment for programs within the 2 weeks.

Refunds/Changing/Cancellations: Our cancellation policy is pretty basic. We ask for a non-refundable \$75 deposit for each week of camp you sign up for. If you need to cancel a week we always try and find another week that will work, or suggest using some of the monies to secure a week for next year. If those options won't work then we can refund you the balance minus the deposit.

CABIN MATE / GROUP REQUEST

- Subject to availability and limit one request per camper.
- Campers must be within 1 year of age.
- Please send the request by campynoah@akronymca.org at least **2 weeks** before camp.

SPIRITUAL EMPHASIS

The YMCA of Akron has 5 character core values that we use as the basis for all our programs. They are Caring, Honesty, Respect, Responsibility, and Faith. We offer daily nondenominational chapels that focus on the core values. We tell stories, do skits, and sing songs during our chapels. We also offer a rags program that is a national personal goal setting and growth program.

FORMS DUE 2 WEEKS PRIOR TO ARRIVAL

- **Health Form / Authorized Pick Up:** Please complete the health form **2 weeks before** your campers check in day. Camp Y-Noah needs to have all the current medical and behavioral information about your camper before they arrive. We keep all forms confidential and share information only on a need to know basis to the staff. Please click the link "Health Forms" to fill them out online. [Health Forms](#)
- **Food Grant:** Camp Y-Noah participates in a Federal grant that helps subsidize some of our food costs. When you fill out the form it is held for audit and tracking purposes for the Summer Food Service Program. All of your financial information will be kept confidential and destroyed at the end of the year. Please follow the link and bring the form with you at check in or email the form to campynoah@akronymca.org
- [FOOD GRANT FORM](#)

PICKING MY CAMPER UP EARLY

We want to be as prepared as possible for your arrival. If you need to pick your camper up at a different time than our normal check out time please fill out the [Camper Early Release Form](#). Camper Early Release form will also be available at check in or from your bus transportation staff.

CAMP STORE

The store has some basic essentials for camp, toothbrush, deodorant, toothpaste, etc, as well as souvenirs, and ice cream. Campers will have the opportunity to go to the store at least once per week and on check in and out. No cash is accepted during the week. The store uses an account system. We typically recommend you add \$20-\$30 to the account per week of camp. **We do not offer refunds.** You can either spend the remaining balance during check out, donate the money to our annual campaign, which helps send kids to camp, or you can donate to our staff banquet at the end of summer. Any money left in the account after your campers last checkout will be donated accordingly. You can add money to your campers account at check in, or anytime during your campers stay, or before you get to camp by clicking the following link. [Store Account](#)

KEEP CAMP IN THE LOOP

It's important to keep us in the loop at camp. We want to protect your family's privacy, but some information about your child, and major things that are happening in their life will help us be a better camp for them. We are very discreet with any information shared. Below are some examples of what would be helpful to be aware of.

- Changes in contact information.
- If there is school problems, illness in the family, divorce/separation, parent overseas/military.

BEHAVIORAL & DISCIPLINE POLICY

Our staff goes through a week of training to work with your campers. We train our staff to work with a wide variety of behavioral challenges. Campers should feel safe at camp. Campers are to respect themselves, others, and the camp.

Camp has established 2 types of unacceptable behavior.

General disruptive behavior:

- Profanity, verbal abuse, a generally uncooperative attitude, etc.
 1. Counselors will have a discussion with camper to modify the behavior.
 2. The Village Director and/or Camp Director will help with the process.
 3. We will contact you to work jointly to modify the behavior.
 4. If these attempts fail the camper may be sent home.

Dangerous and overly disruptive behavior:

- Theft, damage of property, assault of any kind, possession of weapons, alcohol, illegal drugs, tobacco, etc.
 1. The camper will be brought immediately to the Director.
 2. The Director will contact the parents to discuss the issue.
 3. At the Director's discretion the camper may be sent home.

If a camper is dismissed, parents are responsible for transportation and no refunds will be issued.

We reserve the right to dismiss campers from the program without warning.

MEALS

- Specialty diets including vegetarian, gluten free, and many others can be accommodated for. However, we ask that you please note any dietary needs on the [Health Forms](#). The Food Service Director will be available at the overnight check in or by email at campynoahfoodservice@akronymca.org.
- If day campers chose to bring their own packed lunch we ask that all items be **NUT FREE**.
- Meals at camp are pretty basic and vary each day. Below are typical meals.
 - Breakfast: Eggs, Bacon + Cereal, Fruit, and Yogurt bar are available every morning.
 - Lunch: Burgers, French Fries + A full salad bar which available every lunch.
 - Dinner: Chicken, Mashed Potato, Green Beans + A full salad bar which available every dinner.

WHAT TO PACK

You know your camper best. So when packing if there are additional comfort items, please make sure to pack those. This could be stuffed animals, a favorite blanket, but please, no cell phones. Cell phones are not comfort items. Follow this link for recommended [packing list](#) for both Day & Overnight Campers.

WHAT NOT TO BRING TO CAMP

Please avoid sending these items to camp. If found they will be collected and can be reclaimed at checkout after the parent show.

- **Cell phones:** I know this may be a difficult thing, and if we're being honest, it's probably most difficult for you as the parent. I understand and sympathize with this. I know how accustomed you've become to having near constant access to your child. However, at this point we find it to be a very healthy concept to disconnect from the tech world. Our camper's lives are very structured, and that structure remains true for their time at camp. Every minute of the day is planned. We plan to help our campers socialize, problem solve, and learn new skills. This can be very difficult if our campers are focused on cell phones and not the campers and staff next to them. If you need to contact your camper, or if you're just worried how your campers is doing; please feel free to call our office at [330-896-1964](tel:330-896-1964) from 9-5. Our emergency after hours number to call is [330-858-4102](tel:330-858-4102). **This phone is carried by one of our directors after hours while the office is closed.**
- **Valuable electronic devices:** These items are expensive and we're near lakes, dirt, and bugs. We climb, run, and jump. This environment is often very strenuous on expensive electronic devices. Please help us avoid a broken heart and keep these at home.
- **Knives, matches, or lighters:** They won't need them. Don't worry about sending one.
- **Miscellaneous:** Personal sports equipment, musical instruments, vehicles, pets, tobacco, drugs, or alcohol.
- **Food (yes, of any kind):** They attract unwanted attention from squirrels, mice, skunks, and hungry counselors! For the safety of the cabin, please, please, don't send snacks. If you do please send them, please send in care of the camp director, and I'll find something to do with them ;-)

SEVERE WEATHER

- Severe Thunderstorm/Tornado **watches**: Programs will continue under caution.
- Severe Thunderstorm/Tornado **warnings**: Staff will bring campers to a secure building.

SWIM TEST

Campers will swim test the first day. They may retest on Wednesdays. Lifeguards are trained to determine swim level for our lake. Each camper will wear a swim band that signifies their swimming level. We do not accept swim test from other YMCA branches or camps. However, campers may maintain a swim band previously awarded at camp during the same summer.

- **Red** (non/weak swimmers) will be allowed to swim in the shallow area with a lifejacket.
- **Yellow** (intermediate swimmers) will be allowed to swim in the shallow area without a lifejacket.
- **Green** (strong swimmers) can swim in the shallow area without a lifejacket or the deep with a lifejacket.

MEDICAL CARE

- Campers must have a completed [Health Forms](#) returned to camp 2 weeks before your campers check in.
- Counselors have First Aid and CPR training to deal with any minor accidents
- There will be a RN on-call 24 hours a day.
- City of Green Paramedics provides EMS transportation. We will make every attempt to reach you or emergency contacts.

Please note: Medical insurance and emergency transportation cost are the responsibility of the parents.

During camp we will contact you if your child:

- is involved in a physical fight, regardless of injury
- has received an injury to the head
- is recommended to see a physician or is required to visit the emergency room
- has suffered a fluid depleting illness for more than 8 hours
- has a temperature above 101 degrees
- Camp Y-Noah strives in being an environment where children learn and grow, and for children to best succeed they need to be able to participate in groups that meet our ratios on camp.

MEDICATION

- All medications must be handed given to the Health Officer **in their original containers** during check in.
- Prescribed medications must be clearly marked with the child's name, medication, and physician's name.
- Prescription medication can only be administered as directed on the bottle.
- For dosage changes, please bring a signed note from the physician describing the new dosage.
- Medication will be distributed at meal times and before lights out.

ABSENTEES

If a camper is not able to attend a registered session or day program camp must be notified as soon as possible. At the beginning of each program, all registered campers that have not shown up within an hour of registration must be contacted by the [logistician](#) to confirm their absenteeism. This occurs on Sunday after check in is over.

BEDWETTING

It happens, and we'll be very discreet if it does happen, but you can help us out a little.

- If this is something that happens with your camper give your child's counselor a heads up at check in.
- You can send plastic sheets/extra bedding.
- We wash all bedding after an accident discreetly and return to the cabin before the campers come back.

HOMESICKNESS

Below are a couple tricks that we've picked up.

- Before camp be positive and excited about the experience. Camp is a cool, fun, exciting experience. You can let them know that they're going to have a great time.
- Telling campers they can call/come home may seem like the perfect thing to say, but it actually encourages homesickness. It's like a crutch. Like we mentioned in the first bullet point, camp's going to be amazing. Keep reminding them about that.
- Staff make every effort to ease the transition to camp. We spend quite a bit of time during staff training teaching our counselors how to redirect, or refocus a camper who is missing home. It's o.k. to miss home. Home will be there at the end of the week. Camp is special, and the campers are a part of something special when they're here. We'll remind them of that.
- Initial letters home often have strong feelings of homesickness so don't panic. Give us a call and we'll give you an update on where your camper is at with their experience. [330-896-1964](tel:330-896-1964).
- If your camper is having a really hard time with homesickness, we'll reach out to you and we can figure it out together.

COMMUNICATING WITH CAMPERS

There are several ways to communicate with your camper.

- Mail & Care Packages: Please include your campers name and cabin on all packages sent. Our address is **815 Mt. Pleasant Rd. Clinton, OH 44216** Mail can also be dropped off at our camp office during business hours or at campers check and marked appropriately (Example: Deliver Wednesday)
- Email: Our one way email is ynoahcamper@akronymca.org Please include your campers name and cabin in the subject line of the email.
- Phone Calls: Though we strongly (yes it is underlined) advise against phone calls with your camper while they are at camp we can certainly arrange for calls if it's absolutely necessary.

We don't recommend this for several reasons. One, while your camper is at camp they are completely immersed in the program. To pull them out would disrupt their flow. Two, phone calls often, like a lot, lead to campers missing home. We try and focus on making friends, learning something new, and the myriad of other things going on at camp. T.V., video games, air conditioning, pets, and parents will (typically) be waiting for them when their week at camp ends. Let's let our campers, be campers. If you absolutely need to speak to your child by phone or in person, give us a call and we can figure something out. [330-896-1964](tel:330-896-1964) from 9-5.

- If there is an emergency at home and you need to contact your camper, please contact our camp office at 330-896-1964 between 9:00 – 5:00 pm. After hours please call [330-858-4102](tel:330-858-4102). This phone is carried by one of our directors after hours while the office is closed.

CHECKING UP ON YOUR CAMPER

We get that a week can seem like forever for you. Now, if you just want a quick update on your camper, that's cool, give us a call between 9-5 at [330-896-1964](tel:330-896-1964).

WHAT IS SIESTA

During our afternoon programming we allow time for Siesta. This a block of quiet cabin time to allow campers and staff to unwind before evening activities. If campers opt not to rest they are welcome to enjoy a quiet activities; card game, read a book /magazine, or write a letter home.

PICTURES

We do our best to take pictures of everybody's child at camp. Below are a couple of FAQ's regarding pictures.

- Where do I go to get pics? Pictures can be found on Smug Mug at [Camp Y-Noah SmugMug](#). During check in you'll be given your password for your camper's week(s) at camp.
- My child isn't smiling. Are they having a good time? So, not everyone is smiling the whole time. They're not lunatics, but if you're truly concerned, give us a call and we'll give you a quick update on your camper.
- I don't see a photo of my camper!!! During our busy camp days we strive to capture as many moments as possible. Throughout the week we will be uploading photos onto SmugMug. If you do not see a photo of your child after day three please email us at: campynoah@akronymca.org
- Our waiver states the following, I authorize the YMCA to take and use any photographs, comments, and videos of my child for promotional purposes. If you're not o.k. with the previous statement, please send us a written note that states otherwise. We will inform

our staffs who take pictures and let them know. We generally will still post pictures on Smug Mug, which is a private site for you to view.

WHERE SHOULD I LOOK FOR LOST AND FOUND?

Lost and found will be displayed on tables **outside of the dining hall**. As you check your camper out, please feel free to check here for any items lost. I want to take this moment to review a trick that helps us keep your campers belonging with them. Please add your campers name in permanent marker to all of their items. You'd be surprised how many times I've asked a camper if the towel I had in my hands belonged to them and without any question in their minds they tell me no, only to find out that their name was written on the side.

The American Camp Association is a community of camp professionals who, for over 100 years, have joined together to share our knowledge and experience and to ensure the quality of camp programs. Because of our diverse 10,000 plus membership and our exceptional programs, children and adults have the opportunity to learn powerful lessons in community, character-building, skill development, and healthy living — lessons that can be learned nowhere else.

As a leading authority in youth development, ACA works to preserve, promote, and improve the camp experience. Our association is committed to helping our members and all camps provide:

- Camp communities committed to a safe, nurturing environment
- Caring, competent adult role models
- Healthy, developmentally appropriate experiences
- Service to the community and the natural world
- Opportunities for leadership and personal growth
- Discovery, experiential education, and learning opportunities
- Excellence and continuous self-improvement
