- 2. If you have the 1st party beginning at 12:30 pm, you may come in to set up at 12:15 pm. If you have the 2nd party beginning at 3:00 pm, the set up time will be at 2:45 pm.**
- 3. Additional adults are suggested to attend so your swimmers are not left unattended.**
- 4. Please be cleaned up and be out of the classroom by 5:30 pm so the next party can come in and prepare for their party. Your promptness is appreciated.**
- 5. There will be a party host to greet you a when you first arrive and help you throughout the day with anything you may need. They will help set up and clean up the party as well as transition you through the day to make sure you stay on schedule.**

Tips for a great party

- Bring your own towels**
- Watch the clock to stay on schedule**
- Bring additional adults to help set up the room while children swim**
- Come into the Y and get familiar with the building days in advance of the party or contact the Birthday Party Coordinator to give a tour and answer any questions you have.**
- Look over pool rules to inform guest of any age restrictions**
- If possible have kids show up and about 10-15 minutes early so they can be dressed and ready to go. Also, if children need to get tested for a swim band, they can do it at that time so they have more time to swim**
- Lifeguard and/or Birthday Party host will go over pool rules before party starts**
- We encourage parents to get wet and have fun too!**
- A swim test must be passed I order for children to swim in the lap pool**
- A copy of pool rules and information attached.**
