# SAFETY FIRST CHILD WATCH

The safety of your child is our priority. As such, we want to assure that, while in our care, your child is supervised, attended to, and respected while you engage in the many activities afforded to you as a Y member.

We want you to be comfortable and confident that Child Watch is a benefit to you and your child.

## 2-Hour Time Limit

There is a 2-hour time limit for your child to be in Child Watch. During this time, you must remain in the building, engaging in a Y class or activity.
